(a) If the employee leaves any widow, child or children whom he was under legal obligations to support at the time of his *accident*, a sum equal to four times the average annual earnings of the employee, but not less in any event than two thousand five hundred dollars and not more in any event than four thousand dollars. Provided, that when an award has been made under this paragraph, where the deceased left at the time of his death a widow and one child under sixteen years of age him surviving, the compensation payments and death benefits to the extent the same were increased

because of the existence of said child, insofar as same have not been paid, shall cease and become extinguished when said child arrives at the age of eighteen years, if said child is physically and mentally competent at that time.

Any right to receive compensation hereunder shall be extinguished by the remarriage of a widow, if the deceased did not leave him surviving any child or children whom he was under legal obligations to support at the time of said *accident*.

Any compensation payments other than necessary medical, surgical or hospital fees or services shall be deducted in ascertaining the amount payable on death.

(b) If no amount is payable under paragraph (a) of this section and the employee leaves any parent, husband, child or children who at the time of *accident* were totally dependent upon the earnings of the employee, then a sum equal to four times the average annual earnings of the employee, but not less in any event than two thousand five hundred dollars, and not more in any event than four thousand dollars. Any compensation payments other than necessary medical, surgical or hospital fees or services shall be deducted in ascertaining the amount payable on death.

(c) If no amount is payable under paragraph (a) or (b) of this section and the employee leaves any parent or parents, child or children, who at the time of *accident* were partially dependent upon the earnings of the employee, then such proportion of a sum equal to four times the average annual earnings of the employee as such dependency bears to total dependency, but not less in any event than one thousand dollars and not more in any event than three thousand seven hundred fifty dollars. Any compensation payments other than necessary medical, surgical or hospital fees or services shall be deducted in ascertaining the amounts payable on death.

(d) If no amount is payable under paragraphs (a), (b) or (c) of this section and the employee leaves any grandparent, grandchild or grandchildren or collateral heirs dependent at the time of the *accident* to the employee upon his earnings to the extent of fifty percentum or more of total dependency, then such proportion of a sum equal to four times the average annual earnings of the employee as such dependency bears to total dependency, but not more in any event than three thousand seven hundred fifty dollars. (e) If no amount is payable under paragraph (a), (b), (c) or (d) of this section, a sum not to exceed one hundred and fifty dollars for burial expenses to be paid by the employer to the undertaker or to the person or persons incurring the expense of burial, and the further sum of four hundred dollars, which shall be paid within sixty days into a special fund, of which the state treasurer shall be ex-officio custodian, such special fund to be held and disbursed for the purposes hereinafter stated in paragraph (f) of Section 8, either upon the order of the Industrial Commission or of a competent court. Said special fund shall be deposited the same as are state funds and any interest accruing thereon shall be added thereto every six months. It shall be subject to audit the same as state funds and accounts and shall be protected by the general bond given by the state treasurer. It shall be considered always appropriated for the purposes of disbursement as provided in Section 8, paragraph (f), of this Act, and shall be paid out and disbursed as therein provided and shall not at any time be appropriated or diverted to any other use or purpose: Provided, that whenever any sum is paid into the said fund and subsequently it develops that compensation is payable under paragraphs (a), (b), (c), or (d) of this section, the industrial commission shall order the refund of any sum paid into the said fund, and the state treasurer as custodian of said fund shall immediately refund the sum paid to him in accordance with the order of the industrial commission upon receipt by him of a certified copy of said order. The State Treasurer, or his duly authorized representative, shall be named as a party to all proceedings and receive the usual and customary notices of hearing in all cases involving claim for the loss of, or the permanent and complete loss of the use of one eye, one foot, one leg, one arm or one hand. In case of settlement contract or award involving the loss of, or the permanent and complete loss of the use of any one of the said members, it shall be the duty of the Industrial Commission, or a Commissioner or Arbitrator thereof, to award to the said Special Fund provided for in paragraph (e) of this Section, the sum payable under sub-paragraph (20) of paragraph (e) of Section 8 to be paid by the employer or the insurance carrier if such employer is insured.

The industrial commission shall, within ten days after the rendition of any award providing for payment into said special fund provided for in paragraph (e) of this section, mail a certified copy thereof to the state treasurer. If said award be not paid within

thirty days after the date said award has become final, the state treasurer shall proceed to take judgment thereon in his own name as ex-officio custodian of said fund as is provided for other awards by paragraph (g) of Section 19 of this Act and take the necessary steps to collect said award. The industrial commission shall immediately, upon learning of any death because of which payments into said fund may become due under paragraph (e) of this section, notify the state treasurer thereof and the state treasurer, if payments be not made into said fund within sixty days following said death on account of which it may be due, shall within sixty days after the receipt of said notice institute proceedings in his own name before the industrial commission for the collection thereof, and in said proceedings the industrial commission may order the burial fund provided for in this Act paid to the person, corporation or organization who has paid or become liable for the payment of same. In all such proceedings so instituted by the state treasurer it shall not be a defense that notice of the accidental injury was not given the employer within thirty days or that the demand for payment was not made within six months, or that written claim for compensation was not filed with the industrial commission within one year. Any person, corporation or organization who has paid or become liable for the payment of burial expenses of said deceased employee may in his or its own name institute proceedings before the industrial commission for the collection thereof.

In all cases involving disputed dependency claims it shall be the duty of the person filing such claim for or on behalf of the alleged dependents or for the funeral bill to name the State Treasurer as ex-officio custodian of the Fund, provided for in Section 7, paragraph (e), as a party to the said application for adjustment of claim. The said State Treasurer, or his duly authorized representative, shall have all rights of participation in the hearing and review of decisions as is provided under the provisions of this Act. For the purpose of administration, receipts and disbursements, the Special Fund provided for in paragraph (e) of this section shall be administered jointly with the Special Fund provided for in Section 7, paragraph (e) of the Workmen's Occupational Diseases Act. Provided, further, that at no time shall there be paid into said special fund on account of any one death a sum to exceed four hundred dollars.

Such increase shall be accomplished by increasing the aggregate amount only; provided, however, that in no case shall this paragraph operate to provide an aggregate increase of more than thirty per centum (30%) of the aggregate compensation which but for this paragraph would be payable.

No amendment to this paragraph or any part thereof shall in any way affect any right of action thereunder existing at the time such amendment takes effect.

Sec. 8. AMOUNT OF COMPENSATION FOR ACCIDENTAL INJURY NOT RESULTING IN DEATH.] The amount of compensation which shall be paid to the employee for an *accidental injury* not resulting in death shall be:

(a) The employer shall provide the necessary first aid medical and surgical services, and all necessary medical, surgical and hospital services thereafter, limited, however, to that which is reasonably required to cure or relieve from the effects of the *accidental injury*. The employee may elect to secure his own physician, surgeon and hospital services at his own expense. *Where the accidental injury results* in the amputation of an arm, hand, leg or foot, or the enucleation of any eye, or the loss of any of the natural teeth, the employer shall furnish an artificial of any such members, lost in accidental injury arising out of and in the course of the employment, and shall also furnish the necessary braces in all proper and necessary cases, provided, the furnishing by the employer of any such services or appliances shall not be construed to admit liability on the part of the employer to pay compensation, and the furnishing of any such services or appliances by the employer shall not be construed as the payment of compensation.

(b) If the period of temporary total incapacity for work lasts more than six working days, compensation equal to fifty per centum of the earnings, but not less than \$7.50 nor more than \$15.00 per week, beginning on the eighth day of such temporary total incapacity and continuing as long as the temporary total incapacity lasts, but not after the amount of compensation paid equals the amount which would have been payable as a death benefit under paragraph (a), section 7, if the employee had died as a result of the *accidental injury* at the time thereof, leaving heirs surviving as provided in said paragraph (a), section 7: Provided, that in the case where the temporary total incapacity for work continues for a period of more than twenty-eight days from the day of the *accident*, then compensation shall commence on the day after the *accident*.

(c) For any serious and permanent disfigurement to the hand, head, face or neck, the employee shall be entitled to compensation for such disfigurement, the amount *determined* by agreement at any time or by arbitration in accordance with the provisions of this Act, at a *hearing not less than six months after the date of the accidental injury*, which amount shall not exceed one-quarter of the amount of the compensation which would have been payable as a death benefit under paragraph (a), Section 7, if the employee had died as a result of the

Incapacity

(d) If, after the *accidental* injury has been sustained, the employee as a result thereof becomes partially incapacitated from pursuing his usual and customary line of employment, he shall, except in the cases covered by the specific schedule set forth in paragraph (e) of this section, receive compensation, subject to the limitations as to time and maximum amounts fixed in paragraphs (b) and (h) of this section, equal to fifty per centum of the difference between the average amount which he earned before the accident and the average amount which he is earning or is able to earn in some suitable employment or business after the accident. Provided, however, if no compensation is awarded under the foregoing provisions of this paragraph, and when an *accidental* injury has been sustained which results in a fracture to the body of a vertebra, resulting in a loss of function of the back, compensation may be allowed for a period not to exceed thirty (30) weeks in addition to compensation for temporary total disability, such compensation to be in lieu of all other compensation specified hereinbefore by this paragraph.

17½. In computing the compensation to be paid to any employee who, before the accident for which he claims compensation, had before that time sustained an injury resulting in the loss by amputation or partial loss by amputation of any member, including hand, arm, thumb or fingers, leg, foot or any toes, such loss or partial loss of any such member or the sight of an eye shall be deducted from any award made for the subsequent injury, and for the permanent total loss of use or the permanent partial loss of use of any such member for which compensation has been paid, then such loss shall be taken into consideration and deducted from any award for the subsequent injury.

18. The specific case of loss of both hands, or both arms, or both feet, or both legs, or both eyes, or of any two thereof, suffered in one accident, or the permanent and complete loss of use thereof, suffered in one accident, shall constitute total and permanent disability, to be compensated according to the compensation fixed by paragraph (f) of this section: Provided, that these specific cases of total and permanent disability shall not be construed as excluding other cases: Provided, further, that any employee who has previously suffered the loss or permanent and complete loss of the use of any of said members, and in a subsequent independent accident loses another or suffers the permanent and complete loss of the use of any one of said members, the employer for whom the injured employee is working at the time of said last independent accident shall be liable to pay compensation only for the loss or permanent and complete loss of the use of the member occasioned by said last independent accident.

the sum of two hundred twenty-five dollars, if the accidental injury occurs between July 1, 1939, and July 1, 1941, both dates inclusive; thereafter the amount payable into the said special fund shall be one hundred dollars for the loss of, or permanent and complete loss of use of any such member; provided, however, that the payments herein fixed at one hundred dollars may on and after the date when payments in such amount become effective, be suspended or reduced as herein provided, but in no event shall such payments be increased to exceed one hundred dollars.

Beginning July first, 1941, and each July first thereafter, the Industrial Commission shall determine the expenditures to be made from the said special fund for the ensuing six months. If, upon such determination made by the Commission there shall be found to be in excess of fifty thousand dollars or more in the said special fund over and above the expenditures to be made therefrom during the ensuing six months, the Industrial Commission shall by order posted in its offices, suspend payments at the rate of one hundred dollars in this paragraph provided or reduce the amount payable to a sum less than said one hundred dollars, but sufficient to maintain such fifty thousand dollars excess, and such suspension or change in payments at the rate of one hundred dollars shall be effective with respect to accidental injuries occurring on or after the date of such order.

(f) In case of complete disability, which renders the employee wholly and permanently incapable of work, compensation equal to fifty percentum of his earnings but not less than \$7.50 nor more than \$15.00 per week, commencing on the day after the *accident*, and continuing until the amount paid equals the amount which would have been payable as a death benefit under paragraph (a), section 7, if the employee had died as a result of the *accident* at the time thereof, leaving heirs surviving as provided in said paragraph (a), section 7, and thereafter a pension during life annually, in the specific case of total and permanent disability equal to 12 percentum and in other cases of total and permanent disability equal to 8 percentum, of the amount which would have been payable as a death benefit under paragraph (a), section 7, if the employee had died as a result of the *accident* at the time thereof, leaving heirs surviving, as provided in said paragraph (a), section 7. Such pension shall be paid monthly. Provided, any employee who receives an award under this paragraph and afterwards returns to work or is able to do so, and who earns or is able to earn as much as before the *accident*, payments under such award shall cease; if such employee returns

to work, or is able to do so, and earns or is able to earn part but not as much as before the *accident*, such award shall be modified so as to conform to an award under paragraph (d) of this section: Provided, further, that if such award is terminated or reduced under the provisions of this paragraph, such employee shall have the right at any time within one year after the date of such termination or reduction to file a petition with the commission for the purpose of determining whether any disability exists as a result of the original *accidental* injury and the extent thereof: Provided, further, that disability as enumerated in subdivision 18, paragraph (e) of this section shall be considered complete disability. If an employee who had previously incurred loss or the permanent and complete loss of use of one member, through the loss or the permanent and complete loss of the use of one hand, one arm, one foot, one leg, or one eye, incurs permanent and complete disability through the loss or the permanent and complete loss of the use of another member, he shall receive, in addition to the compensation payable by the employer and after such payments have ceased, an amount from the special fund provided for in paragraph (e) of section 7, which, together with the compensation payable from the employer in whose employment he was when the last *accidental* injury was incurred, will equal the amount payable for permanent and complete disability as provided in this paragraph of this section.

by the industrial commission, sent to the state treasurer by registered mail. It shall be the duty of the said state treasurer, thirty days after the date upon which payments out of said fund shall be commenced as provided in said award, and every month thereafter, to mail to the said injured employee direct, or at the option of said treasurer, to some bank in the county in which he resides for delivery to him, a check or draft payable out of said special fund, for all compensation accrued to that date at the rate fixed in said award. Said check or draft on the back thereof shall designate the style and docket number of the cause and the period of time for which it pays, and shall be accompanied by a duplicate receipt, on a form to be supplied by the industrial commission, which receipt shall be executed in duplicate by the injured employee and returned to the treasurer, who shall retain one thereof and shall mail one to the said industrial commission. The said fund shall be always considered as appropriated for the purpose of making payments according to the terms of said awards.

Compensation Death, Payment of Part

(g) In case death occurs as a result of the injury before the total of the payments made equals the amount payable as a death benefit, then in case the employee leaves any widow, child or children, parents, grandparents, or other lineal heirs, entitled to compensation under Section 7, the difference between the compensation for death and the sum of the payments made to the employee, shall be paid to the beneficiaries of the deceased employee, and distributed as provided in paragraph (f) of Section 7, but in no case shall the amount payable under this paragraph be less than \$500.00.

Compensation Maximum

(h) In no event shall the compensation to be paid exceed fifty per centum of the average weekly wage, or exceed \$15.00 per week in amount: nor, except in case of complete disability, as defined above, shall any payments extend over a period of more than eight years from the date of the accident. In case an injured employee shall be mentally incompetent at the time when any right or privilege accrues to him under the provisions of this Act, a conservator or guardian may be appointed pursuant to law, and may, on behalf of such mentally incompetent, claim and exercise any such right or privilege with the same force and effect as if

the employee himself had been mentally competent and had claimed or exercised said right or privilege; and no limitations of time by this Act provided shall run so long as said mentally incompetent employee is without a conservator or guardian.

(i) 1. All compensation provided for in paragraphs (b), (c), (d), (e) and (f) of this section, other than in case of pension for life, shall be paid in installments at the same intervals at which the wages or earnings of the employee were paid at the time of the *accident*, or if this shall not be feasible, then the installments shall be paid weekly; all payments of compensation to be made not later than two weeks after the interval for which compensation is payable.

2. Provided, that any payments of compensation by the employer to an injured employee prior to the filing of application for adjustment of claim, shall not be construed against the employer as admitting liability to pay compensation; and

3. Provided, further, that all compensation payments named and provided for in paragraphs (b), (c), (d), (e) and (f) of this section, shall mean and be defined to be for *accidental* injuries and only such *accidental* injuries as are proven by competent evidence, of which there are or have been objective conditions or symptoms proven, not within the physical or mental control of the injured employee himself.

(j) 1. Wherever in this section there is a provision for fifty percentum, such percentum shall be increased five percentum for each child of the employee, including children who have been legally adopted, under 16 years of age at the time of the *accident* to the employee until such percentum shall reach a maximum of sixty-five percentum.

2. Wherever in this section a weekly minimum of \$7.50 is provided, such minimum shall be increased in the following cases to the following amounts:

\$11.00 in case of an employee having one child under the age of 16 years at the time of the *accident* to the employee;

\$12.00 in case of an employee having two children under the age of 16 years at the time of the *accident* to the employee;

\$13.00 in case of an employee having three children under the age of 16 years at the time of the *accident* to the employee;

(k) In case the injured employee is under sixteen years of age at the time of the *accident* and is illegally employed, the amount of compensation payable under paragraphs (b), (c), (d), (e) and (f) of this section shall be increased fifty percentum. Provided, however, that nothing herein contained shall be construed to repeal or amend the provisions of an Act concerning child labor, approved June 26, 1917, as subsequently amended relating to the employment of minors under the age of sixteen years.

(1) Where the accidental injury occurs on or after July 1, 1945, and before July 1, 1947, compensation due the injured employee during his life time under this section shall be computed according to the provisions of this section exclusive of this paragraph, and after so computed shall be increased *twenty percentum* (20%). Such increase shall be accomplished by increasing each installment, and maximums otherwise applicable to the installment rate and the aggregate amount may be exceeded only by such increase; provided that in no case shall this paragraph operate to provide an aggregate increase of more than twenty per centum (20%) of the aggregate compensation which but for this paragraph would be payable; provided, further, that this paragraph shall operate to increase the installment rate payable to beneficiaries in cases of *accidental* injuries resulting in death *except as to those accidents occurring on or after July 1, 1945.*

In applying the increase hereunder to compensation for disfigurement, the aggregate amount fixed by agreement or by arbitration shall be *twenty percentum* (20%) greater than provided by paragraph (c) of this section, and the maximum, including such increase, shall be deemed *thirty percentum* (30%) of what the death benefit would have been.

(m) *Where the accidental injury occurs on or after July 1, 1947, compensation due the injured em-*

Such increase shall be accomplished by increasing each installment, and maximums otherwise applicable to the installment rate and the aggregate amount may be exceeded only by such increase; provided that in no case shall this paragraph operate to provide an aggregate increase of more than thirty per centum (30%) of the aggregate compensation which but for this paragraph would be payable; provided, further, that this paragraph shall operate to increase the installment rate payable to beneficiaries in cases of accidental injuries resulting in death.

In applying the increase hereunder to compensation for disfigurement, the aggregate amount fixed by agreement or by arbitration shall be thirty per centum (30%) greater than provided by paragraph (c) of this section, and the maximum, including such increase, shall be deemed thirty-two and one-half per centum ($32\frac{1}{2}\%$) of what the death benefit would have been.

No amendment to this paragraph or any part thereof shall in any way affect any right of action thereunder existing at the time such amendment takes effect.

Sec. 9. WHERE PAYMENT IN LUMP SUM DESIRED.]

Any employer or employee or beneficiary who shall desire to have such compensation, or any unpaid part thereof, paid in a lump sum, may petition the commission, asking that such compensation be so paid, and if, upon proper notice to the interested parties and a proper showing made before such commission or any member thereof, it appears to the best interest of the parties that such compensation be so paid, the commission may order the commutation of the compensation to an equivalent lump sum, which commutation shall be an amount which will equal the total sum of the probable future payments capitalized at their present value upon the basis of interest calculated at three per centum per annum with annual rests: Provided, that in cases indicating complete disability no petition for a commutation to a lump sum basis shall be entertained by the commission until after the expiration of six months from the date of the injury, and where necessary, upon proper application being made, a guardian, conservator or administrator, as the case may be, may be appointed for any person under disability who may be entitled to any such compensation and an employer bound by the terms of this Act and liable to pay such compensation, may petition for the

No Dispute
Exists

The payment of compensation in a lump sum to the employee in his lifetime upon order of the Industrial Commission, shall extinguish and bar all claims for compensation for death if the compensation paid in a lump sum represents a compromise of a dispute on any question other than the extent of disability.

Subject to the provisions herein above in this paragraph contained, where no dispute exists as to the fact that the accident arose out of and in the course of the employment and where such accident results in death or in the amputation of any member or in the enucleation of an eye, then and in such case the arbitrator or commission may, upon the petition of either the employer or the employee, enter an award providing for the payment of compensation for such death or injury in accordance with the provisions of Section 7 or paragraph (e) of section 8 of this Act. Sec. 10. BASIS FOR COMPUTING COMPENSATION.]

The basis for computing the compensation provided for in Sections 7 and 8 of the Act shall be as follows:

Employment
Grade of
Basis

(b) Employment by the same employer shall be taken to mean employment by the same employer in the grade in which the employee was employed at the time of the accident, uninterrupted by absence from work due to illness or any other unavoidable cause.

Employment
Same Class

(c) If the injured person has not been engaged in the employment of the same employer for the full year immediately preceding the accident, the compensation shall be computed according to the annual earnings which persons of the same class in the same employment and same location, (or if that be impracticable, of neighboring employments of the same kind) have earned during such period.

(d) As to employees in employments in which it is the custom to operate throughout the working days of the year, the annual earnings, if not otherwise determinable, shall be regarded as 300 times the average daily earnings in such computation.

(e) As to employees in employments in which it

is the custom to operate for a part of the whole number of working days in each year, such number, if the annual earnings are not otherwise determinable, shall be used instead of 300 as a basis for computing the annual earnings, provided the minimum number of days which shall be so used for the basis of the year's work shall be not less than 200.

Employment
Part Time
Annual
Earnings

(f) In the case of injured employees who earn either no wage or less than the earnings of adult day laborers in the same line of employment in that locality, the yearly wage shall be reckoned according to the average annual earnings of adults of the same class in the same (or if that is impracticable, then of neighboring) employments.

Employee

INJURED EMPLOYEE MUST SUBMIT TO EXAMINATION.] An employee entitled to receive disability payments shall be required, if requested by the employer, to submit himself, at the expense of the employer, for examination to a duly qualified medical practitioner or surgeon selected by the employer, at any time and place reasonably convenient for the employee, either within or without the State of Illinois, for the purpose of determining the nature, extent and probable duration of the injury received by the employee, and for the purpose of ascertaining the amount of compensation which may be due the employee from time to time for disability according to the provisions of this Act: Provided, an employer requesting such an examination, of an employee residing within the State of Illinois, shall pay in advance of the time fixed for the examination sufficient money to defray the necessary expense of travel by the most convenient means to and from the place of examination, and the cost of meals necessary during the trip, and if the examination or travel to and from the place of examination causes any loss of working time on the part of the employee, the employer shall reimburse him for such loss of wages upon the basis of his average daily wage. Provided, however, that such examination shall be made in the presence of a duly qualified medical practitioner or surgeon provided and paid for by the employee, if such employee so desires:

In all cases where the examination is made by a surgeon engaged by the employer, and the injured employee has no surgeon present at such examination, it shall be the duty of the surgeon making the examination at the instance of the employer to deliver to the injured employee, or his representative, a statement in writing of the condition and extent of the injury to the same extent that said surgeon reports to the employer and the same shall be an exact copy of that furnished to the employer, said copy to be furnished the employee, or his representative as soon as practicable but not later than forty-eight hours before the time the case is set for hearing. If such surgeon refuses to furnish the employee with such statement to the same extent as that furnished the employer, said surgeon shall not be permitted to testify at the hearing next following said examination. If the employee refuses so to submit himself to examination or unnecessarily obstructs the same, his right to compen-

sation payments shall be temporarily suspended until such examination shall have taken place, and no compensation shall be payable under this Act for such period. It shall be the duty of surgeons treating an injured employee who is likely to die, and treating him at the instance of the employer, to have called in another surgeon to be designated and paid for by either the injured employee or by the person or persons who would become his beneficiary or beneficiaries, to make an examination before the death of such injured employee.

Sec. 21. AWARD NOT SUBJECT TO LIEN — DEATH.]

No payment, claim, award or decision under this Act shall be assignable or subject to any lien, attachment or garnishment, or be held liable in any way for any lien, debt, penalty or damages. And the compensation allowed by any award or decision of the commission shall be entitled to a preference over the unsecured debts of the employer, wages excepted, contracted after the date of the injury to an employee. A decision or award of the Industrial Commission against an employer for compensation under this Act, or a written agreement by an employer to pay such compensation shall, upon the filing of a certified copy of the decision or said agreement, as the case may be, with the recorder of deeds of the county, constitute a lien upon all property of the employer within said county, paramount to all other claims or liens, except mortgages, trust deeds, or for wages or taxes, and such liens may be enforced in the manner provided for the foreclosure of mortgages under the laws of this State. Any right to receive compensation hereunder shall be extinguished by the death of the person or persons entitled thereto, subject to the provisions of this Act relative to compensation for death received in the course of employment, and subject to the provisions of paragraph (e) of section 8 of this Act relative to specific loss: Provided, that upon the death of a beneficiary, who is receiving compensation provided for in section 7, leaving surviving a parent, sister or brother of the deceased employee, at the time of his death dependent upon him for support, who were receiving from such beneficiary a contribution to support, then that proportion of the compensation of the beneficiary which would have been paid but for the death of the beneficiary, but in no event exceeding said unpaid compensation, which the contribution of the beneficiary to the dependent's support within one year prior to the death of the beneficiary bears to the compensation of the beneficiary within that year, shall be continued for the benefit of such dependents, notwithstanding the death of the beneficiary. [Amended by Act approved June 10, 1929.]

Sec. 22. CONTRACT WITHIN SEVEN DAYS AFTER INJURY PRESUMED FRAUDULENT.] Any contract or agreement made by any employer or his agent or attorney with any employee or any other beneficiary of any claim under the provisions of this Act within seven days after the injury shall be presumed to be fraudulent.

Sec. 23. WAIVER OF PROVISIONS MUST BE APPROVED BY INDUSTRIAL BOARD.] No employee, personal representative, or beneficiary shall have power to waive any of the provisions of this Act in regard to the amount of compensation which may be payable to such employee, personal representative or beneficiary hereunder except after approval by the Industrial Commission.

Provisions
Waiver

A minor death beneficiary, by parent or grandparent as next friend, may compromise disputes and may enter into and submit a settlement contract or lump sum petition, and upon approval by the Industrial Commission such settlement contract or lump sum order shall have the same force and effect as though such minor had been an adult.

Sec. 24. NOTICE OF ACCIDENT—LIMIT OF TIME FOR FILING CLAIM.] No proceedings for compensation under this Act shall be maintained unless notice of the accident has been given to the employer as soon as practicable, but not later than thirty days after the accident, except in cases of hernia, in which cases notice shall be given the employer within fifteen days after the accident. In case of mental incapacity of the employee or any dependents of a deceased employee who may be entitled to compensation under the provisions of this Act, the limitations of time by this Act provided shall not begin to run against said mental incompetents until a conservator or guardian has been appointed: Provided that where such limitation bars an adult mentally competent member of a class of beneficiaries entitled to receive compensation for death, such limitation shall then bar all beneficiaries notwithstanding that another or others be mentally or otherwise incapacitated or incompetent. No defect or inaccuracy of such notice shall be a bar to the maintenance of proceedings of arbitration or otherwise by the employee unless the employer proves that he is unduly prejudiced in such proceedings by such defect or inaccuracy. Notice of the accident shall give the approximate date and place of the accident, if known, and may be given orally or in writing; provided, no proceedings for compensation under this Act shall be maintained unless claim for compensation has been made within six months after the accident, Provided, that in any case, unless application for compensation is filed

(a) This Act shall not affect or disturb the continuance of any existing insurance, mutual aid, benefit, or relief association or department, whether maintained in whole or in part by the employer or whether maintained by the employees, the payment of benefits of such association or department being guaranteed by the employer or by some person, firm or corporation for him: Provided, the employer contributes to such association or department an amount not less than the full compensation herein provided, exclusive of the cost of the maintenance of such association or department and without any expense to the employee. This Act shall not prevent the organization and maintaining under the insurance laws of this State of any benefit or insurance company for the purpose of insuring against the compensation provided for in this Act, the expense of which is maintained by the employer. This Act shall not prevent the organization or maintaining under the insurance laws of this State of any voluntary mutual aid, benefit or relief association among employees for the payment of additional accident or sick benefits.

(b) No existing insurance, mutual aid, benefit or relief association or department shall, by reason of anything herein contained, be authorized to discontinue its operation without first discharging its obligations to any and all persons carrying insurance in the same or entitled to relief or benefits therein.

WHERE INJURY CAUSED UNDER CIRCUMSTANCES CREATING A LEGAL LIABILITY IN SOME PERSON OTHER THAN THE EMPLOYER.] Where an injury or death for which compensation is payable by the employer under this Act was not proximately caused by the negligence of the employer or his employees, and was caused under circumstances creating a legal liability for damages in some person other than the employer to pay damages, such other person having also elected to be bound by this Act, or being bound thereby under section three (3) of this Act, then the right of the employee or personal representative to recover against such other person shall be transferred to his employer and such employer may bring legal proceedings against such other person to recover the damages sustained, in an amount not exceeding the aggregate amount of compensation payable under this Act, by reason of the injury or death of such employee.

Where the injury or death for which compensation is payable under this Act was not proximately caused by the negligence of the employer or his employees and was caused under circumstances creating a legal liability for damages on the part of some person other than the employer to pay damages, such other person having elected not to be bound by this Act, then legal proceedings may be taken against such other person to recover damages notwithstanding such employer's payment of or liability to pay compensation under this Act. In such case, however, if the action against such other person is brought by the injured employee or his personal representative and judgment is obtained and paid, or settlement is made with such other person, either with or without suit, then from the amount received by such employee or personal representative there shall be paid to the employer the amount of compensation paid or to be paid by him to such employee or personal representative.

If the injured employee or his personal representa-

tive shall agree to receive compensation from the employer or accept from the employer any payment on account of such compensation, or to institute proceedings to recover the same, the said employer may have or claim a lien upon any award, judgment or fund out of which such employee might be compensated from such third party.

In such actions brought by the employee or his personal representative, he shall forthwith notify his employer by personal service or registered mail, of such fact and of the name of the court in which such suit is brought, filing proof thereof in such action. The employer may, at any time thereafter join in said action upon his motion so that all orders of court after hearing and judgment shall be made for his protection. No release or settlement of claim for damages by reason of such injury or death, and no satisfaction of judgment in such proceedings, shall be valid without the written consent of both employer and employee or his personal representative, except in the case of the employers, such consent shall not be required where said employer has been fully indemnified or protected by Court order.

In the event the said employee or his personal representative shall fail to institute a proceeding against such third person at any time prior to three months before said action would be barred at law said employer may in his own name, or in the name of the employee, or his personal representative, commence a proceeding against such other person for the recovery of damages on account of such injury or death to the employee, and out of any amount recovered the employer shall pay over to the injured employee or his personal representative all sums collected from such other person by judgment or otherwise in excess of the amount of such compensation paid or to be paid under this Act, and costs, attorney's fees and reasonable expenses as may be incurred by such employer in making such collection or in enforcing such liability.
